## LOTTERY RULES

The lotteries will have only one winner and will be held on the dates and times previously announced on the 3xRaffle website. The results will be determined and publicly announced on the day following the lottery draw.

The draw will only take place after 100% of the raffle numbers have been sold.

3xRaffle has a lottery system that mirrors the largest lotteries in England, namely Lotto, Thunderball, and Set For Life. Raffles on 3xRaffle will have numbers ranging from 1 to 999,999. In the case of Thunderball and Set For Life, there are 5 main numbers plus 1 bonus number (Bonus Ball), making a total of 6 numbers. In Thunderball and Set For Life draws, the bonus number (Bonus Ball), the sixth number, will always be taken into account.

The rule for conducting the draws will follow the following logic:

- or tickets ranging from 1 to 999:
  - Based on the 6 drawn numbers, only the last digits of the last 3 drawn numbers will be taken into account.
